MILLIONS Bear Testimony to their Wonderful Curative Effects. Vinegar Bitters are not a vile Fancy Drink, M de of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doccalled "Tonics," "Appetizers," "Restorers, ' &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Conges. tion or Inflammation of the Liver, and of all the Visceral Organs. FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bit-
